Uniform Update:

Band: Moving the uniforms out of the school to locations so that we have access to them once we no longer have access to the school.

Nicole Szpak will take the Rangerette Uniforms

Next season, we will be implementing a deposit check for the Rangerette equipment. The Rangerettes will have give the Music Boosters a check as a deposit for \$100 that we will hold until the end of the season. They will be provided with equipment for the season (each set will be numbered – flags, bags etc) and they will be required to return the entire set back at the end of the season. If they do not, we will deposit their check. The reason for this is that we had multiple flags go missing over the last couple of seasons.

It does not appear that there will be a booster office, Rangerette closet, etc at the new school. We will not have an open window to hand out uniforms. We will need to get creative on storage and such.

Flags: Leann Hayes requesting new 20 flags (which would be extra), though ordering 15 flags would still be extra. \$34.95 per flag, with total \$744.95. We will hold off on ordering the flags until we find out if the school logo is changing. There was discussion of a contest for a new logo.

Choir: There is uniform storage for the robes. We will need a volunteer to take the choir robes.

Choir Director: Devra Laserson

Concert Choir went to contest last weekend. Received a 2.

Northern Lights are going to the Tiffin University, instead of Nordonia to do something different this year. We can make a recording; we'll come up with a plan to possibly distribute.

Next year we will have two different concert choirs: a mixed and then an all girls.

Enrollment for mixed choir is up to 72.

Concert choir is up to 52. We are getting choir in at 6th grade now so that should boost numbers.

New building only has 120 chairs for both band/choir.

Band Director: Kaylee Flynt

New building is going to be used for all musical and theatrical performances. We will need to put instruments that our students use in storage when other schools are in using the space.

There is an open space that is a loft, unsure what the space is for at this point. We could potentially use

it for overflow/booster etc.

Student will be storing their instruments in locked cages. They will be responsible for providing locks.

Auditorium will have approximately 565 seats.

Auxiliary clinics were announced and emailed out to all principals, dates are in Charms. We have quite a few kids interested.

Mr. Shu is going to email the dates available to set up drumline clinics.

Field commander clinics are in Charms.

We received a Superior 1 at Districts. There was a misunderstanding regarding states and only person who has all the information is Mrs. Flynt. Currently the date for our region for states is May 3-4.

When it was realized that there a conflict on the date with prom, another date/space was requested on OMEA website for April 26-27th, which is the same dates as the musical.

No further information about states will be provided until the dates are finalized. Discussed with Isom, and plans are in the works.

It was decided that we would not attend States on May 4/5 as we have quite a few seniors who are soloists and they will be up late due to the prom, they won't be prepared.

Spring Concert is May 6th at 7:00.

Music Booster Scholarship is due by Friday, March 15th.

We need to know if there is going to be a Willowick parade.

Quotes for plumes: still waiting to hear back Band Shop

Stanbury Uniforms: To get 12 in French feather plumes \$17.50 each/quotes for 110 plumes - \$1975. If we pay up front, we'll get 10% off. They did not quote shipping/handling. We will also need new plume bags.

Plume bag: bags similar to what we currently have are \$73. We'd need two.
\$134.95 for one that holds 105 has wheels.

President's Report: Diana Greeby

Move next meeting: currently on April 17th. We are looking to move it to April 10th

Motion: Diana Greeby

Accepted

Contacted the gentleman for the pictures for the banners. We will use Bruce from Photographic Memories again. We are looking at July 30th, in the evening.

Master Pizza on Vine Street donated a sheet pizza with the purchase of a sheet pizza for our Baton Competition. He would like our account in the concession stand. He would meet our Revolution price. We would have a monthly charge, anyone can order on our account. When we have potlucks (like pool party), we could order from him, have all the parents pay to us.

Discussing apparel for the twirlers for warm up suits, and duffle bags. We'd also like to order North Rangers lanyards.

We need to order carnations for seniors.

And because we are looking at not having any storage, quite possibly moving our stuff off site, a shed, or a storage unit.

April 13th is middle school solo/ensemble. We still need volunteers for the concession.

New Business:

Connie is going to see if Giant Eagle will donate for home games. Westlake Giant Eagle donates hot dogs, water, condiments etc.

We received an email from Dennis Reilly regarding complaints from the stores/businesses in the community about how often the various organizations within the district are approaching them for donations. We do not have names of businesses, or which organizations are a concern, we just need be aware.

Regarding Fundraisers: Lady Land sharks requires every family to buy a table (\$60 a ticket) for the fundraiser. We have approximately 200 band and choir students. If we could get a buy in from our parents, we could drop pasta dinner and golf outing. We could have a budget for good prizes and raffle baskets, a big ticket item, try to sell raffle tickets in the months prior.

Uniforms: we are getting to a point where we are running out because of the commons sizes of the band jackets. We should have a few extra jackets in the popular sizes.

Timberlake's parade is early this year, it is August 4th. Parade starts at noon.

If we do not have the Willowick parade, we will not have the mini-camp after Memorial Day. June practices are at Willowick Middle School. July will hopefully be at new building. Keys for the new building will be ready the week of July 22nd.

Music program will be responsible for moving all instruments.

We have three volunteers to review the scholarships.
